

ABRIDGED COMPETITION RULES

Full competition rules are available on our website
littlehamptoncameraclub.co.uk

GENERAL (applicable to all competitions):

Only paid-up Full Members and Honorary Members may enter competitions. Entries may be digitally processed, but all elements must have been captured in-camera by the competitor. Each image, regardless of its Class (Print or PDI), may be entered in up to three different competitions but only once in either the Merit Print or Merit PDI Competition (not both).

All internal competition images will appear on the Club's website and may be chosen by the Selection Committee for external competitions or exhibitions.

Unless otherwise stated, you may submit up to **4 images** for each competition. These can be **Prints, PDIs**, or a combination of **both**. **All entries must be numbered 1 to 4 in order of preference. This helps the Secretaries manage entries if overall numbers exceed capacity.**

PRINTS:

- Prints may be produced at home or commercially.
- On the back, include the preference number, your name, and the image title.
- Maximum size, including mount: 50cm x 40cm.
